

PINWHEELS FOR PREVENTION CAMPAIGN

Shining in the sun, these pinwheels represent a bright future for Mendocino County's children and our communities.

2017 PINWHEELS FOR PREVENTION CONTEST

The Children's Action Committee (CAC) advocates for Mendocino County's community to prevent and respond to child abuse. The members of CAC engage our community on how to prevent abuse and neglect through public awareness ensuring that our children are safe and healthy in mind, body, and spirit.

The month of April is celebrated as National Child Abuse Prevention Month and CAC would like to invite you to plant a PINWHEEL GARDEN before April 7, 2017 and to remain blooming during the month of April. Share your best pinwheel garden pictures to our Children's Action Committee Facebook page or email to mphillips@mendocinocasa.org during April and be eligible to win a home baked coffee cake and coffee/juice party for your office or classroom. To get you started, CAC will provide you with a number of pinwheels and a sign for your garden. We hope you'll grow your garden with your own designer pinwheels added to your starter pinwheels.

If you'd like to participate in this prevention campaign, please call Maureen Phillips at CASA of Mendocino and Lake Counties at 489-7231 to receive your starter kit.

We're excited to see your creations.
